We call it financial counselling

Easy English

Financial counselling is when you
meet with a person.
They help you with your money.
We call this person a financial counsellor.

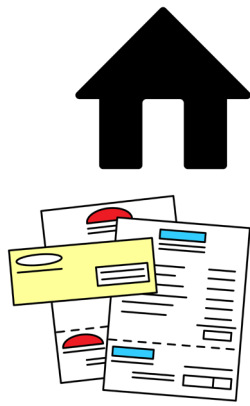

Financial counselling is
free

and

private.

What do we do

Our financial counsellors help if you can **not** pay for things. Like your

- home
- car
- bills.

They can help if you owe money.

You need to pay

- the bank
- a person
- a business

or

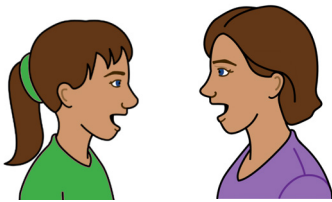

When you can **not** pay back money you owe.

Our financial counsellor can help you make a money plan. A money plan tells you things.

Like how to

- pay back money you owe
- spend less.

Our financial counsellor can help talk to people and places you owe

and

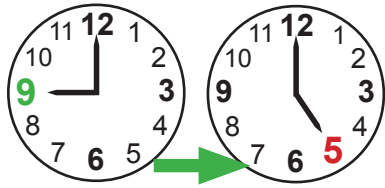

tell you about money laws

and

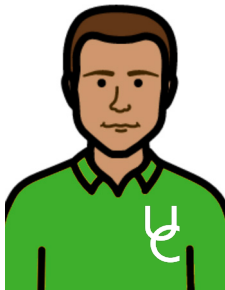

apply to services.
