## Pricing Schedule

Effective 1 July 2025

If you choose to pay for your accommodation by DAP, the amount is worked out by applying the maximum permissible interest rate (MPIR) to your agreed room price and dividing the amount by 365. The MPIR is a government-set interest rate used to calculate a daily accommodation payment based on your agreed room price. It is used to determine equivalence between a daily payment and a refundable lump sum deposit, giving you a choice in how to pay.
